

FOR IMMEDIATE RELEASE

Second Annual Social Media, Digital Marketing & Business Development Conference Announced for Las Vegas, May 14th & 15th, 2020

Early Registration Discount Begins November 1st, 2019

Las Vegas, NV– LEXICON Vegas is a two-day Social Media, Digital Marketing and Business Development conference that will offer top keynote speakers and panels from various areas of marketing and business to educate, inform and inspire the public on how to properly market their business on a digital scale. The conference, aimed to provide businesses the tools for successful marketing in the digital marketing industry, has been announced for May 14 & 15, 2020 in Las Vegas. Venue Announcement by November 1st, 2019.

The overall focus of the conference is to provide information and insight on all facets of digital marketing: social media optimization, website management, website development, SEO management, business development, influencer marketing and brand management. Early registration tickets go on sale on November 1st, with pricing of \$99 for Conference Passes. The two-day conference pass includes entry and access to all exhibitors, speakers, workshops and networking opportunities for the entire conference. Tickets available at: www.lexiconvegas.com.

LEXICON Vegas will also provide Las Vegas local companies the opportunity to get their product or service in front of hundreds of business owners throughout the two day conference. Exhibitor and Sponsorship opportunities are also available. Visit www.lexiconvegas.com for more information.
